Each book ends with an invitation to accept Jesus as Savior. *Esther, David, Gideon*, and *The Christmas Story* are available in audio and video.

Discipleship

The Children's Bible Curriculum shares the fundamentals of faith from a Spirit-filled perspective. Children at various age levels have the opportunity to hear the gospel and grow in their faith as they explore topics such as spiritual life, the Bible, theology, the church, service, and Christian ethics. Each lesson in the Children's Bible Curriculum parallels the topics found in the Christian Life Series. Through the *Following God* series and other learning tools, the curriculum's appealing lesson plans and activities are tuned to children's unique developmental needs and abilities.

Teachers appreciate how easy the Children's Bible Curriculum is to use. Instructor Guides offer lesson plans complete with visuals, activity suggestions, and memory verses for every lesson. Student workbooks are filled with pencil pages that capture the interest of children while helping them retain biblical truths.
