SECOND BACHELOR OF ARTS DEGREE PROGRAMS

Students who have already completed an undergraduate degree may enroll with Global University to study for a second bachelor of arts degree. Please note the admission requirements for this program stated in the Undergraduate Program “Objectives and Design” section.

Global University assumes the previous major will normally have been in a field unrelated to Christian ministry. However, if the student’s educational background includes some courses in Bible, theology, intercultural studies, or church ministry relevant to the selected major, it may be possible to transfer some of these credits. Second Bachelor of Arts degrees require a minimum of 55 credits. At least 30 credits must be enrolled through Global University, 15 of which must be in the student’s major.

Second BA Degree in Bible and Theology

The Second Bachelor of Arts in Bible and Theology is designed to provide the biblical and theological knowledge necessary for students to carry out Christian ministry in the local church and/or to pursue advanced academic studies. After successfully completing this curriculum, students will be able to properly interpret the Bible, demonstrate a working knowledge of the history and application of Christian theology, preach and teach the gospel in a local cultural setting, conduct programs in their local churches that will facilitate the ongoing vitality of the Christian faith, and pursue advanced academic studies.

DIPLOMA PROGRAMS

Global University offers two diploma programs: a two-year Diploma in Ministry (60 credits minimum) and a three-year Diploma in Bible and Theology (90 credits minimum). At least one quarter of the program (or 15 credits and 23 credits respectively) must be enrolled through GU. The Diploma programs are an ALTERNATIVE to the AA and BA degrees. Though diploma courses may apply to degree programs, be advised that this approach may result in students taking additional credits beyond the minimum required.

Diploma in Bible and Theology

The Diploma in Bible and Theology is focused on biblical/theological education. It offers basic training for practical Christian service. After completing this curriculum, the student will be able to function effectively in a practical or specialized ministry context.
